## William I. Buchanan Papers, 1878-1909

### Mss. C64-6

---

The following pages are scans of the indexes to the correspondence of the Pan-American Exposition Executive Committee to Director-General, 1899-1901. The correspondence is from the William I. Buchanan Papers, MSS. C64-6, Box 7 Folders 1-9.

Included are scans of 4 indexes as they appear in original order. The first index is for folders 1-2; the second index is for folders 3-4; the third index is for folder 5; the fourth index is for folder 6-7; and the fifth index is for folders 8-9. Since many of the indexes were handwritten, they were not able to be OCRed. A divider has been placed noting the end of one index and before the start of the next.

The correspondence is not digitized or online and must be viewed in person. Library hours are Wednesdays through Saturdays from 1-5pm, with additional hours Wednesday evenings from 6-8pm. Free with Museum admission and no appointments are necessary.

Note: Effective January 1, 2015, everyone who wishes to use manuscript material must submit a [Scholar Pass](#) application and present valid photo ID upon arrival.
